### About ASMO:

Afghan Social Marketing Organization (ASMO) is a social marketing and behavioral change communication organization established in August 2008. ASMO is a free-standing, not-for-profit Afghan organization that aims to create positive health outcomes by giving Afghan households the information they need to make informed and healthy choices and expanding access to high-quality health products through commercial markets.

From its inception to date, ASMO successfully implemented multimillion-dollar projects in Afghanistan through sub-awards sponsored by USAID, focusing on improving maternal and child health outcomes through the private sector.

### Job Description:

Under the direction of the Executive Director, the Business Development Specialist develops a BD action plan in line with ASMO's long-term strategic plan and ensures its implementation; actively searches health industry BD opportunities; writes proposals in coordination with the management team; implements sound public relations strategy for ASMO; expand ASMO public relations (PR) with donors and private entities and present ASMO core capabilities to attract more business for ASMO. The incumbent will be a member of the ASMO management team.

### Program Strategy and Implementation:

Ability to design and implement innovative health programs that address the needs of the target communities.

Manages and oversees program strategy development and implementation for major program areas – Business Development (BD) and Public Relations (PR) in coordination with the management team

Provides longer-term business development focus to expand areas of business and diversify sources of funding to expand NGO's reach, health impact increase income, and ensure the future growth of the organization

Foster long-term relationships with key stakeholders to support the organization's goals.

### Business Development:

In consultation with the Executive Director, drafts business development strategy and prepares the annual Business Development Plan

Develop a donor mapping document and regularly update it

Develops new business relationships with donors to attract more businesses for ASMO

Foster long-term relationships with key stakeholders to support the organization's goals.

Identify funding opportunities from various sources, including grants, donations, and corporate sponsorships.

Develop and implement community engagement strategies to promote social marketing campaigns.

Develops proposals in coordination with the management team

### Public Relations:

Contribute to the development of corporate communication strategy for ASMO and ensure its implementation

Provide constructive input in the development of capability statement, brochure, newsletter, briefer, posters, and organizational profile

Represents ASMO at external events, including workshops, conferences, and meetings to promote and advance the organization's work

Identify and establish partnerships with local and international NGOs, government agencies, and private sector organizations.

Write and submit funding proposals to secure financial support for social marketing initiatives.

Adheres to all ASMO administrative and operations policies and procedures.

Assumes other duties, as directed by the Executive Director

### Job Requirements:

Education & Qualifications: Master's Degree in Public Health and/or business, economics, development studies, or related field from a recognized university
