About MSI Reproductive Choices Afghanistan (MSIA):

MSI Reproductive Choices Afghanistan (MSIA) is a branch of MSI, a global, non-profit, and non-governmental organization headquartered in London, UK, and was established in August 2002 after registration with the Government of Afghanistan. MSIA follows the local mission statement of MSI: Improve Afghan women's health and well-being so that they can, in turn, build strong, healthy families. Our vision is to be the organization that Afghan women seek out for high-quality, client-centered health care provided by women, for women.

We focus on reducing maternal mortality by providing quality and sustainable maternal-child health (MCH) and reproductive health (RH) services and information in 17 provinces of Afghanistan, namely Kabul, Balkh, Herat, Jawzjan Faryab, Nangarhar, Helmand, Kandahar, Baghlan, Kunduz, Badakhshan, Takhar, Samangan, Kapisa, Khost, Paktia, and Daikundi, in coordination with the Ministry of Public Health (MoPH) of Afghanistan.

MSIA strives to enhance women's health outcomes in the aforementioned provinces by delivering vital reproductive and maternal-child health services through multiple channels such as centers, outreaches, the private sector, and MS Ladies (Family Health Houses).
