### About Amiri Medical Complex (AMC):

#### About AMC

Amiri Medical Complex (AMC) is a private hospital incorporated under the government of Afghanistan with license number D-26055 in 2015. It operates in accordance with and is subject to the laws of Afghanistan. The facility is located in the Afghan Red Crescent Society, Afshar, Qargha Road, in a green and calm environment. Its inauguration was graced by Afghanistan's former president, His Excellency Mr. Hamid Karzai. Since its establishment, AMC has been dedicated to providing essential services to a segment of the population that has long been neglected and underserved.

AMC is Afghanistan's foremost reliable, member of International Hospital Federation (IHF) and is accredited by European Association of Preventive Cardiology. It operates as a tertiary-care facility with 129 beds, specializing in cardiac care and various other medical sub-specialties. AMC is committed to delivering high-quality, efficient, and sustainable medical services to all individuals, regardless of their financial means, within a nurturing and supportive environment that was previously unavailable in the country. With cutting-edge infrastructure and a team of expert medical and administrative professionals, AMC is the preferred destination for comprehensive healthcare. The hospital is dedicated to serving by offering a wide range of basic, specialized, and advanced medical services, all while prioritizing patient safety, continuous quality improvement, and service excellence.

#### Job Description:

##### The Role

The MRI Technician will be responsible for operating 1.5 Tesla MRI machine to produce high-quality diagnostic images. He/She will prepare and educate patients and their attendants by explaining the prescribed MRI procedures, ensuring comfort, and positioning patients appropriately. The responsible will closely coordinate with Radiologists to interpret scans, adhere to safety protocols to minimize risks associated with magnetic fields and manage equipment maintenance as needed.

##### Key Responsibilities

- Prepare and educate patients and their attendants by explaining the prescribed MRI procedures, address their concerns and ensuring comfort, and positioning patients appropriately for accurate imaging.
- Review patient medical history and ensure they meet safety requirements for MRI scanning.
- Able to operate 1.5 Tesla MRI machine to produce high-quality diagnostic images.
- Provide clear and accurate MRI images to radiologists for interpretation and reports.
- Adhere strictly to safety protocols to minimize risks associated with magnetic fields and MRI procedures.
- Manage and maintain accurate patient records, ensuring strict confidentiality and compliance with hospital policies safety regulations.
- Effectively manage multiple tasks, prioritizing urgent matters while maintaining professionalism and courtesy at all times.
- Coordinate with other hospital departments and staff members to address patient needs and ensure efficient communication and workflow throughout the hospital.
- Escalate any alarming complaint/issue to the immediate supervisor.
- Undertake any other duty assigned by the immediate superior.

#### Job Requirements:

##### Required Qualification and Experience

- Diploma/Associate's degree or preferably bachelor degree in Radiologic Technology, preferred or related field from an accredited institute/university, attested by relevant institutions of Afghanistan.
- Certification in MRI from an accredited institution.
- At least three years of experience in MRI imaging in a high-volume imaging setting or hospital.
- Familiarity with handling advanced MRI equipment and conducting specialized procedures.

##### Personal Attributes

- Ability to work under pressure
- Attention to detail
- Adherence to ethical standards
- Commitment to quality improvement
- Teamwork and collaboration
- Team-building capabilities
- Flexibility and adaptability

#### Submission Guideline:

Amiri Medical Complex (AMC) is accepting applications from interested individuals.

If you are interested to be considered, kindly submit your CV at [hr@amc.com.af](mailto:hr@amc.com.af) ensuring that you highlight the Position Title and Vacancy Number in the subject line, otherwise, your application will not be considered.

Please note that only short-listed candidates will be contacted for the written test or interview.

If you are not contacted within TWO or THREE WEEKS after the closing date, please consider your application unsuccessful for the position.
